**BOTTLING** March 2006

**ALCOHOL** 14% by volume

**AGING POTENTIAL** 8 to 12 years

**CASES PRODUCED** 3000 cases

**W**ild Oak, the site of our Winery in Sonoma Valley, was named to honor Sonoma's Heritage Oak trees. Wild Oak wines by St. Francis are created from grapes that have been hand-picked from small lots of elite terrior bordered by these Heritage oaks through out Sonoma County. The 2004 Wild Oak Cabernet Sauvignon shows the complementary qualities of mountainside vineyards from diverse locations. The pinnacle blocks at Lagomarsino Vineyard in the Russian River Valley provide generous power and luscious mouthfeel. The red volcanic soil and high altitude climate of our Nuns Canyon Vineyard give firm structure, along with dark color, rich berrylike character and ample tannin. The McCoy Ranch in the Mayacamas Mountains offers intense Cabernet and firm chewy Merlot: another Merlot component comes from our very own Behler Vineyard's superb Block 8. A touch of Rockpile's Petit Verdot deepens the color and expands the texture and finish. This is an ideal table wine—big, aromatic, firmly structured yet soft and approachable.
